Council Member Ellis  
April 11, 2019 Council Meeting  
Item #33: Austin Strategic Mobility Plan

## MOTION SHEET

I move to amend Action Item 83 on page 276 of the draft Austin Strategic Mobility Plan to read as follows:

“Develop Transit Enhancement Program guidelines that include ~~and~~ strategies for transit enhancement treatments, criteria for when to apply them, and metrics for periodic review of high-capacity transit corridors and initiation of lane dedication. These guidelines will be developed with public input and documented in the Transportation Criteria Manual.”
